INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents P. O. Box 1450 Alexandria, VA 22313-1450

Sir:

Pursuant to 37 CFR 1.56, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO-1449. Unless otherwise indicated herein, one copy of each reference is attached. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom. Applicants respectfully request the Examiner return an initialed copy of the enclosed Form PTO-1449 to Applicants with the next Office communication to indicate that the references have been considered, per MPEP § 609.

This Information Disclosure Statement is being filed (a) within three months of the U.S. filing date of this non-CPA application, OR (b) before the mailing date of the first Office Action on the merits in the present application. No certification or fee is required.

Some of the references were cited in the International Search Report for the International Application to which this application claims priority. An English language version of the International Search Report and English-language Abstracts for the non-English language references are attached for the Examiner's information and are relied upon for a statement of relevance for those references not written in English.

English abstracts are provided for the references not cited in the International Search Report. The English abstracts are relied upon for a statement of relevance for those references.

Respectfully submitted,

leffrey D. Kacceski
